Dear Stan:

Glad to have your report of our FC of Sept. 29th, and as usual, it is a pleasure to verify your report.

Interesting to note you report interference from WEDC, Chicago. Did I ever tell you about Leo Herz telephoning us from Chicago, during one of our FC's a couple years ago, and he was reading us easily UNDER WEDC....and he turned it up for me to listen to while on the telephone. Never forget it.

If we have "Green Grow the Lilacs" we'll do it....and if not, we'll certainly play Burl Ives...have a lot of stuff by him.

Glad to be again getting your reports and requests.

Kindest regards.

Cordially yours,
