Dear Mr. Morss:

This will acknowledge and verify your listener's report of September 28, 1942 according to the WNBF log. We took the air August 30 on the 1290 frequency with 5 kilowatts of power and are planning to broadcast a DX program as soon as our engineers have cleared up work in connection with adjustments to our new TX.

We shall be glad to advise you in advance of this program as to date and time. Again, we thank you.

Very truly yours,

  
E. Ray McCloskey
