500 WATTS — 1460 ON YOUR DIAL

RADIO NEW ROCHELLE, Inc.

411 FIFTH AVENUE  
P. O. BOX 566  
NEW ROCHELLE, N. Y.

April 3, 1954

Mr. Stanwood R. Morss  
R.R. No 3  
Bradford, Mass.

Dear Stan;

It was with pleaser that we received your recent report of reception of WNRC.

This letter will VERIFY your having heard WNRC on March 15, 1954 from 3 to 5 am EST. WNRC was on for the benefit of the National Radio Club.

At date we have received 59 reports from 25 states and 3 from Canada. The most distant one was from the state of Washington.

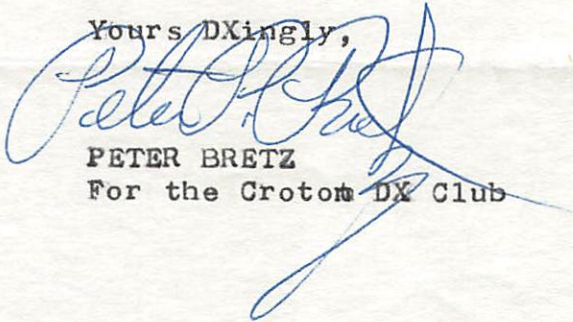

WNRC uses a Gates 500 watt transmitter with a 120 foot non-directional antenna. The studios are Raytheon equipped.

We, the members of the Croton DX Club, sure had alot of fun putting on the show for fellow NRC members.

Well, so long for now., and the best of the better brand of DX to you in the future.

CDXC:pb

Yours DXingly,

  
PETER BRETZ  
For the Croton DX Club
