Dear Sir:

We are sorry to have kept you waiting for an answer to your letter of Oct. 18th. Expecially when you desired a prompt reply to help you in a planned scheduled test.

Again we have to say we are sorry, but at the present we are too busy to go along with this. You see, we have had rather rough sailing here at WNYS, and since we are still experiencing "growing pains" so to speak, it would be hard to find time to help plan this Dixer get together.

Please except our regrets. We would enjoy hearing from you later in the year, when things might be more settled.

Cordially,

  
Hiley A. Rainer  
Chief Engineer

P.S. We are happy to acknowledge your reception report of WNYS.ca
