Mr. S.R. Morss
RR #3
Bradford, Mass.

September 26, 1957

Dear Mr. Morss:

This will acknowledge receipt of your letter of September 24, 1957 concerning reception of this station.

The information provided appears to be correct according to our station log and it is a pleasure to confirm your reception of WPOW.

I am enclosing a coverage map of our primary area (0.5 mv contour) for your inspection. Thank you for your interest.

Very truly yours,

David R. Pryce
Chief Engineer
