January 20, 1944

Mr. S. R. Morss
R-3 Bradford, Mass.

Dear Mr. Morss:

We appreciate receiving your report on our signal of January 14. This letter is to verify the report.

We expect to increase in power in the near future to one kilowatt and expect our frequency to be 1210 KC.

Any additional reports will be welcomed.

Cordially,

W S A Y

Sam Tomaselli
