

WXRL "THE VOICE OF MODERN COUNTRY MUSIC  
5360 William Street  
Lancaster, New York 14086

Dear S.R. Moss :

This is to verify your reception of our station, WXRL, on Feb 23rd  
at 1216.

WXRL operates at 1300 Kh with a power output of 1,000 watts daytime and  
500 watts pre-sunrise. Our antenna pattern is a directional figure eight  
with the main lobe in a northwest direction.

Sincerely,

  
Robert E. Shane  
Chief Engineer
