Dear Mr. Morss:

Thank you very much for your letter of October 23, 1953 reporting reception of our station. Sorry for the delay, but we have been extremely busy here at WCIN.

This will verify that it was WCIN that you were listening to on October 23, 1953 from 3:04 to 3:24 AM EST. We were on the air conducting an audio proof-of performance prior to our opening on October 26. The announcer was yours truly.

We operate on 1480 kcs. with 1,000 watts directional antenna from 6:00 AM EST to local sunset. WCIN is entirely Negro-programmed.

I might add that I am also a DX listener, and a member of the NRC.

Thanks again for writing, and would appreciate hearing from you again,

Sincerely,

John D. Haskett
