Dear Mr. Morss:

I appreciate your letter of Aug. 15, 1949 giving a reception report of radio station WJEL. Our Chief Engineer, G. R. McCasland (W8YHM), is in national guard camp at this time on his two weeks vacation.

The frequency test transmission was made by the engineer on duty, T. L. Stephens (formerly KL7LI). The frequency monitoring service of Peterkin Radio Laboratories reported 0 cys. devn.

Your report checked with our log in every respect.

Respectfully yours,

T. L. Stephens
Engineer on duty.
