Mr. S. R. Morss
R. R. 3,
Bradford, Mass.

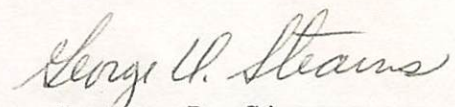

Dear Mr. Morss:

Thank you for your letter reporting reception of WOHO on the morning of October 11, 1958. Your report has been checked by our program department and found to be correct in each detail.

The program to which you listened was an all night unscheduled program prompted by our desire to test out a Gates Automation Programer.

Thank you for your interest and your report.

Sincerely yours,

George D. Stearns
Chief Engineer WOHO
