Dear Stan;

The Operations Manager gave me your report this morning for confirmation and verification.

The details of your letter fit the program log; I listened to your tape and it was undoubtedly our own Christie Maxx (her operating permit says Marilyn Kulcsar). So I am happy to verify your reception report and appreciate your thoroughness in the preparation of it.

You seem to have a good bit of knowledge about our station so I won't go into details. We expect to go full time on 1070 sometime in the fall. Probably between November 1 and January 1.

You also have reports from WHBC and WCMW. You may or may not know that we are the old WCMW just a few call sign changes later.

Thank you for your interest in WQIO and tune us in in the fall.

Sincerely yours,
