Dear Mr. Morss,

This letter is to verify your reception of WREO on Dec. 14, 1967

WREO-AM at 970 kc. operates at 5000 watts days and 1000 watts nights. The station is located three miles south of Ashtabula and has been on the air since September 21, 1937. We are directional day and night, with a four tower array and an RCA transmitter.

WREO-FM at 97.1 mc. operates with the effective radiated power of 53,000 watts day and night. WREO-FM has been on the air since 1949. The transmitter is made by General Electronics Laboratories.

The AM and FM coverage is from West of Cleveland to East of Erie, Pennsylvania. To the South below Youngstown, Ohio and to the North into Canada.

WREO is a member of the Mutual Broadcasting System and we carry all of the Cleveland Indians Baseball Games, Cleveland Browns Football Games, and Ohio State University Football Games.

Sincerely,

W R E O
