S. R. Morss
Route 3
Bradford, Mass.

Dear Mr. Morss:

This is to verify your reception of our station and to thank you for the interest shown in sending us a report on our signals in your locality.

We hope that you have enjoyed our programs to which you listened and at any time in the future that you care to report hearing our station, we will appreciate receiving your word concerning condition of our signals in your area.

Again, thanks and best wishes from the staff of WRFD.

Very truly yours,

Royce O. Woodward
Chief Engineer
