KELR

1460 On Your Dial

Serving El Reno and Central Oklahoma

Phone AN 2-4248

P. O. Box 769

EL RENO, OKLAHOMA

August 30, 1962

S. R. Morss
Rt. 3
Bradford, ^{Ma}ss.

Dear Sir:

Thank you for your letter, stating that you heard KELR on August 20. We were on the air at that time, making an equipment check.

We are a daytime station, operating on 500 Watts, on the assigned frequency of 1460 KCs.

You may consider this letter verification that you did pick up KELR.

Sincerely yours,

Earl Brown
