Mr. S. R. Morss  
Route 3  
Bradford, Massachusetts

Dear Mr. Morss:

This will acknowledge receipt of your letter of February 5th in which you advise you picked up our station on a test program Sunday morning, February 5th, 2:30 a.m. to 3:00 a.m. This will verify your picking up our station and verify the program received as outlined in your letter.

KSPI has been on the air since June 31, 1947 with a 325 foot tower and exceptionally good copper ground system. We usually have our test programs on Sunday morning every four weeks, however, sometimes this varies.

Sincerely yours,

RADIO STATION KSPI

C. R. Bellatti, President
