Dear Precious Listener,

We here at WFKJ are excited to hear from you. We are pleased to confirm that you did hear WFKJ. Your facts are accurate with only a couple of exceptions.

Enclosed you will find our engineers map showing our coverage area for what is known as a clear signal. Also enclosed is a basic format listing our programs.

If you have friends or relations who live in our area please let them know about WFKJ. We are here to serve. We are a daytime only station. Our sign-on time changes each month. Our transmitter is a BTA 1MX, and is approximately 30-40 yrs. old. She, (we named her Bertha) is really putting her best kilohertz forward since she was called into the work of the Lord.

Thanks again for your letter and please tune in again. May God richly bless you in all your endeavors.

Sincerely,
Working For King Jesus,

Dottie,
