*Dear Mr Morse:*

*Thank you very much for your report on the reception of WGRP. We appreciate the details furnished. I am pleased to tell you that we can verify your report of Dec 15, 1961.*

*WGRP operates local service 7:45 to 5<sup>00</sup> in December. Station is 2 tower directional, main lobe 10° East of true North, our equipment is all Gates (BC 1T transmitter) and Gates Audio throughout.*

*WGRP has been on air since Sept 19, 1959. Our base is under 10,000; our 400,000 people in our primary coverage well over 2 million in secondary.*

*Your HQ 150 is doing a good job. My personal "Home receiver" is a National 175. Personal Home Call is W3VEB, (all Bands)*

*Best wishes for Christmas and New Year and good DXing*

*Sincerely,*

*Kenneth B. Anderson*
