Dear Mr. Morss:

On the one selection given at 5:33 "On Top of Old Smokey" was enough to verify your reception of W H L M. It seemed that my voice modulation was too low. I am sorry that this happened and that it was a poor morning for a DX listening.

It may be some time in the future we will try again and put on a good show. W H L M was formerly W L T R and you may have a previous report from this station.

Very truly yours,
