S. R. Myers:
Dear Sir:

Please accept my apologies for being so late in answering your N.R.C. letter of Dec. 3, 1968.

Your logging was correct. We are permitted to remain on the air until 5:15 P.M. thru Jan. Perhaps you can pick up the station again.

It is always a pleasure to hear from so great a distance.

Is it possible to have a copy of a N.R.C. Log? I am interested in how the stations are listed and logged. Thank you again for writing.

Sincerely,
Mrs. Margaret Terry.
