Dear Mr. Morss:

This is to verify your reception of our program of January 5th. 1949.

The program was scheduled correctly in The National Radio Club bulletin but the mistake in date was my own. I ran the program on the 5th. all unaware that it was the wrong date. I was under the impression that we were scheduled for Wednesday morning instead of Tuesday.

So please accept my apologies, and I am glad you heard me on the 5th.

Thank you very much for the report, and I hope others will confirm reception.

Yours very truly,

Geo. W. Roland
