

RADIO STATION WMAJ

Centre Broadcasters, Inc., State College, Penna.

Mutual Broadcasting System
250 Watts Unlimited
1450 Kilocycles

Mr. Stanwood R. Morss
R.R. No. 3,
Bradford, Mass.

Dear Sir:

We take pleasure in verifying your report of reception of our DX transmission of January 3, 1949, from 3-4 AM.

This is the first such test WMAJ has made, and we are quite pleased with the number of reports which we have received. At a later date we expect to run a second test transmission.

Thank you for your report.

Very truly yours,

Douglas I. Beman
