This will confirm your reception report for radio broadcast station WQIN-AM on 1290khz.

Our records indicate our programming was in agreement of what you received.

WQIN broadcasts using 1000 watts of power on a daytime schedule. During the period of time covered by your report 5:30-5:33pm on November 11, 1986 we were operating under our post-sunset authority of 117 watts.

Thank you for listening.

Respectfully,

Gordon M. Lockwood
General Manager
