Dear Stan,

Just a short note to say I received your letter and to answer your question. Your reception was correct to the T. Appreciate your interest. Keep listening. For your interest here are the following facts about WTTC Radio. AM-500 Watts, 1550 dial setting. FM-720 Watts, 95.3 new dial setting. ALL POPULAR MUSIC, NO ROCK AND ROLL. RANGE ABOUT FIFTY MILES

Sincerely,

Jack Baker
