Stanwood:

This letter is in response to your recent monitoring of our station, WVLV 940 Country in Lebanon, PA. I wish to acknowledge the fact that in your letter we were received fairly clear by you.

I appreciate the fact that you took the time to write and let us know that you were monitoring us. The information you enclosed in your letter was correct.

You have a very interesting hobby, and I wish you much luck and success with it.

Thank you very much, and by the way, don't be afraid to tell your friends about us. We are new, so we would appreciate any criticism or compliments you might have.

Sincerely yours,

Neil McDonald
