Dear Mr. Morss:

Please let this letter establish confirmation of your reception report of December 11th, 1961. It was, in essence, correct, with fair interference to be expected.

We are happy indeed to receive reports such as yours, and have, in the last month, received a reception report from as far as Denmark! These reports are satisfying, and we are indeed grateful.

Let this, then, serve as confirmation, as well as thanks.

Sincerely,

A handwritten signature in cursive script, reading 'J. B. Heidecker', written in dark ink.
