December 8, 1947.

Mr. S. R. Morss  
R. R. No. 3  
Bradford, Mass

Dear Mr. Morss:

This is an acknowledgement of your QSO of our frequency measurement program on December 4, 1947 from 3:22 to 3:45 AM Puerto Rico Time.

This was the second time we were on the air and the reports received were very favorable. Our frequency deviation was zero.

Thanks OM and the Seasons Greetings to you.
