Mr. B. R. Morss,
R-3 Bradford
Massachussetts.

Dear Mr. Morss:

Very many thanks for your letter of December 24, 1944 telling us that you had picked up our station WKAQ on Sunday morning. Your report is quite correct and we are pleased to see that there is no interference. It is always a pleasure to hear from listeners outside of our normal zone of coverage and we take pleasure in enclosing herewith our Certificate of Reception for your files.

Our record distance was made a few years ago when we received a letter from a listener in Aukland, New Zealand stating that he had heard our program.

This station is owned and operated by Radio Corporation of Porto Rico, a subsidiary of International Telephone & Telegraph Corp. and is affiliated with the Columbia Broadcasting System Network. We have been on the air since the year 1922 and were among the first broadcast stations to operate.

Thanking you very much for your letter, we remain

Sincerely yours,

E. J. POWELL,
Vice President and
General Manager
