Dear Mr. Morss:

It is with great pleasure that I confirm your reception of WMYD radio on December 20, 1979. Your log of items heard matches our logs for the period indicated and your cassette of our station further confirms the report.

WMYD is a 500 watt station that operates daily from 6 AM to local sunset. We employ a 112' tower located in Wickford Cove and a Harris MW1A transmitter.

I thank you for your reception report and your interest in our station and, on behalf of our staff, I wish you continued success in your future endeavors.

Regards,

*Duffy Egan*
