Mr. S. R. Morss  
R. R. No. 3  
Bradford, Mass.

Dear Mr. Morss:

This is in verification of your reception of our station on November 27, 1949 from 4:03AM until 4:23AM.

We hold our frequency checks the 4th Sunday of every month from 4:00 to 4:30AM.

We operate with a Raytheon Transmitter and top loaded quarter-wave vertical antenna.

We thank you for writing in in regards to reception of our frequency check.

Yours very truly

Mr. Don Shannon  
Chief Engineer
