Bradford, Mass.

Dear Sir:

This will verify your report of reception of Radio
Station WFGN's test programs on Mar. 2 at 2:32 to 2:55 a.m.
The musical numbers and the station breaks which you
listed correspond with our log on that date.

We appreciate the interest shown in our tests and the
widespread response we had from members of D-X clubs.

Sincerely yours,

R. E. Liverance

Radio Station, WFGN
Manager, Chief Engineer
