Dear Mr. Morss:

Your letter of November 27 was very interesting. As always its a pleasure to hear from our listeners, and your location was an exception.

The time you listed was confirmed per your recording. The power output for WKZQ-AM ON 1520 KHz is 5,000 watts.

I have enclosed bumper stickers from WKZQ for your enjoyment. Again many thanks for your letter and interest in our broadcast, and we hope you continue receiving our programming.

Sincerely,
