Dear Mr. Morss:

We were pleased to receive your letter of March 4, telling us that you've been listening to our "Night Watch" program. Lou Reistahl our "Night Watch" announcer has checked your report and verifies it as being correct.

March is a test month for all night broadcasting on WQSN. We hope we will be able to continue broadcasting at this time indefinitely.

We appreciate the interest you have taken in our station.

Sincerely,

E.H. Keown
