Dear Sir;

This will serve to acknowledge and verify your report of our broadcast of 12 December. The usual end of the year business and the holiday rush have contributed to our delay in answering.

We were interested to know that you have seen the pictures of the station in LIFE. Your report was one of two received from your state. The response from elsewhere thru out the country was very good.

Thank you for your interest and, should it be possible to present a similar program for the DX fans and SWL's at some future date we will keep the clubs informed thru their publications.

Very truly yours

Ida A. McNeil
