Dear Sir,

This letter will verify your reception on Jan.12th of our monthly Frequency Check. However, our announcer reports that he did not play "Ave Maria" during the check but that enough of your report was correct to verify that you did pick up WCMT, though probably with quite a lot of interference from other stations. This station conducts a Check each month on the second Friday at 1:30 A.M. to 1:45 A.M. and we are always glad to hear from members of your club.

Very truly yours,  
WCMT RADIO
