

HOLSTON BROADCASTING CORPORATION

604½ EAST ELK AVENUE

P. O. BOX 429

ELIZABETHTON, TENNESSEE

TELEPHONE 543-3191

*June 12, 1965*

Dear Mr. *Morse*

I confirm your report that you were listening to WIDD

*2-22-65* at *0100* E. S. T.

WIDD is a daytime station operating on 1520 kcs. at a power of 1000 watts. Operation was started November 11, 1964, and regular test transmissions are made the third Monday morning of each month at 12:05 A. M.

Thanking you for your report, I remain

Sincerely yours,

*Richard A. Vanhook*
