

A W L C' s Voice of Public Service

Tennir City, Tennessee

June 3, 1950

Stanwood R. Morss
Bradford, Mass.

Dear Stan,

We are very pleased to have your report of our signal on the morning of May 25. Your report goes right along with our log.

Our station is a daytime independent operating on 500 watts with a 285 foot guyed tower. The transmitter is a 1000 watt Gates BC-1F operating at reduced power.

Thank you for your report and we hope that you will be able to hear us again.

Sincerely,

Edward W. Pipes
Chief Engineer
Radio Station WLIL.
