Dear sir,

My apologies for the delay in replying to your request for a confirmation of your reception of this station. Needless to say we are quite pleased to learn that our signal was of such a quality in Massachusetts.

On checking with the announcer who was on duty at the time of your report I found that your report in essence was correct.

Yours truly,

A handwritten signature in blue ink that reads 'John J. Walsh'. The signature is fluid and cursive, with the first name 'John' being particularly prominent.

John J. Walsh

Chief Engineer.
