Mr. Stanwood R. Morss
R. R. 3
Bradford, Mass. 01830

Dear Mr. Morss:

Thanks for the reception report of our test program on January 18, 1971- 2:45 to 3:00 A. M. EST. We are on the air at this same time on the third Monday of each month for frequency measurement.

WPJD's transmitter is a CCA 250D, and the antenna is a folded-unipole 208' high.

Thank you again for the report; the information is correct. I am sorry about the delay in responding, but the station was really getting out that morning, and quite a few reports were received.

Sincerely yours,

F. L. Pierce
F. L. Pierce,
Chief Engineer
