

Mr. S. R. Morss
Route #3
Bradford, Massachusetts

Dear Mr. Morss:

This is to acknowledge and thank you for your letter of October 17 reporting reception of our test broadcast of October 17, 1959.

We regret the delay in this acknowledgement, but we have been busy this past week. Have you ever seen a radio station that wasn't????

We do appreciate your report and hope to hear from you again.

Very truly yours,

Diane Towater, K-WAM
