Mr. S. B. Morss
Route 3
Bradford, Massachusetts

Dear Sir:

I am pleased to verify your report of reception of KCBB on November 10, 1949, from 2:02 to 2:07 AM, CST.

Station KCBB operates with a 1,000 watt directional on 1590 Kc., with regularly scheduled operating time from 6:00 AM to 12:00 midnight, CST. We are affiliated with the Mutual Broadcasting System. Our regular frequency check period is from 2:00 to 2:30 AM, CST, the second Thursday of each month.

We wish to express our appreciation to you for your report, and wish you the best of luck and DX.

Yours very truly,

R. F. Lee
Chief Engineer
