Dear Mr. Morss:

We were happy to receive your re-submitted letter. The original must have gotten lost around here somewhere. At any rate it never reached my desk. Every letter that comes to my attention has been answered just as soon as I can get around to it, which is seldom more than a week.

This letter will verify your reception of this station on November 17, 1957, from 12:17 PM to 1:35 AM. Mountain Standard Time, on 690 Kilocycles.

I want to thank you very much for re-submitting your letter and for your time, trouble and expense.

Sincerely,

John C. Nelson, Engineer, KHEY.
