Route Three  
Bradford, Mass.

Dear Mr. Morss:

This is to acknowledge receipt of your logging of our check of January 19. It was correct, except for one item; our frequency is 1360. We sincerely appreciate your sending this report.

During the Fourth War Loan Drive, we are holding a "midnight Jamboree" each Saturday night from 12 to 2, with the entire staff of KRIS participating. Won't you listen in on our party?

Yours very truly,

*Warren Edmundson*
