Dear Mr. Morss:

We wish to thank you for your recent letter telling of hearing our various frequency check signals on February 6, 1950. The information you gave is very nearly correct and we wish to thank you for your letter.

In reference to your reading the article on El Paso in the Saturday Evening Post, you are so right. It is not only a good place for a winter vacation but a good place to live and spend your life. Should you ever visit El Paso, be sure to stop and see us here at KSET.

Appreciative of your letter and any future correspondence or comments,

Very truly yours,
