Mr. Stanwood R. Morss,  
Rural Route No. 3,  
Bradford, Massachusetts.

Dear Sir:

Our logs check with the information contained in your letter, therefore this is a letter of verification of your reception of our station. Thank you very much for this information and we would appreciate any further data pertaining to signal strength and quality.

Sincerely yours,

David I. Hansen,  
Chief Engineer,  
Radio Station KSVC,  
Richfield, Utah.
