Dear Sir:

We thank you for your report of hearing our signal on the morning of February 26, 1962 from 206 to 213, at the expense of WCOP.

We did play the selections which you listed, including Peace In The Valley, and selections by Faron Young.

We operate on 1,000 watts of power and are now making equipment tests, and expect to go on daylight hours within the next few days.

Thanks again for your listening.

Very truly yours,
