Mr. S. R. Morss
R. 3,
Bradford, Mass

Dear Mr. Morss:

We want to thank you very much for your report of our test broadcasts. It is very helpful to know about our signals.

WAGE, a brand new station, went on the air for the first time March 6th. (commercially)

Once again, let me thank you for reporting. Please consider this your letter of verification.

Sincerely,

John R. Gill
