Dear Mr. Morss:

We wish to thank you for your letter letting us know that we were heard in your locality on the night of February 22nd. I would also, at this time, like to verify your report as to what you heard during the broadcast.

As you probably know, the primary reason for such good reception of a 250 watt station was the fact that we had a more or less clear channel at that late hour.

Again, thank you for your interest.

Sincerely yours,

Robert Walker
