

EASTERN SHORE RADIO CENTER

TASLEY VIRGINIA

September 26, 1960

Mr. S. R. Morss  
R#3 Bradford  
Mass.

Dear Mr. Morss:

Am pleased to write verification of your reception of our signal September 12, 1960 while we were on all night due to hurrican Donna. We are normally a day time operation - 1330 Kc. - 1000 watts directional (North-South).

Hope all is well with you, good listening.

Sincerely,

  
Glenn Kellam  
Engineer

GK/MAnn
