Mr. S.R.Morse,
Bradford, Mass.

Dear Sir:

Many thanks to you for your report of reception of this station during our special transmission from 4 to 5 A.M. E.W.T. on Feb. 18.

This letter will serve to verify your report and your reception of WFVA.

We are extremely pleased to hear from New England, as we had thought that the pattern would be slightly directional and omit these states.

Thank you again.

Sincerely,

Phil Whitney
