J.R. Moss:

Thanks for your report of reception  
3 Nov 78. Although no comos were  
heard during the scope of your  
reception the ID's are correct &  
music would follow the pattern you  
noted.

We are a 5KW DA full-timer.  
Our Xmtr is located in Portsmouth  
Va. Our Xmtr is a CCA &  
we operate thru a Multronics  
Phaser into a 3 tower array.

You may consider your reception  
confirmed as noted and we thank  
you for your interest.

"We're going to make you rich"
